

STATE + LOCAL GOV'T AGENCIES:

Let's talk about your challenges

#GOVTECHMATTERS

#JOINJEN

## Jennifer Snyder

CHIEF EVANGELIST AT GOVQA

As a subject matter expert on state and local governments, Jen is interested in meaningful conversations that look both at the big picture, as well as dig deep into nitty-gritty best-practice working sessions on all government challenges and opportunities.

Jen's 15 years of experience in the state and local government space includes guest speaking and moderating for government events, roundtables, and associations. She has another 10 years of experience managing local and international business development initiatives for B2B tech companies.

### Are you looking for a Subject Matter Expert on all things State and Local Government?

#### Topics Jen Can Speak To:

- Crisis Management
- Public Records
- Legal Requests
- Technology
- Transparency
- Security
- Procurement
- Legislative Mandates
- Compliance
- Staffing Challenges

#### Available as guest speaker/moderator/writer for:

- » Conferences, association meetings, and industry events
- » Online chats (via LinkedIn or other platforms)
- » Podcasts
- » Articles, blog post contributions
- » And more!

Let's bring folks from state and local government agency communities together...to learn from each other and expedite changes that **you** want to see happen.
